ELLEN AND GERTRUDE KIRBY PROVIDED A GENEROUS DONATION TO THE CHICAGO RETIRED TEACHERS AID FUND

The Chicago Retired Teachers Aid Fund (CRTAF) gratefully acknowledges the ongoing generosity of Ellen and Gertrude Kirby who established a designated fund grant through the Community Foundation of Broward, Florida that began providing annual financial assistance to CRTAF in 2016. Ellen Kirby was a retired Chicago public school educator whose annual contribution through her designated eponymous fund honors her mother and herself. It is former members such as Ellen Kirby who continue to sustain the ongoing commitment of the Chicago Retired Teachers Aid Fund which exists to provide support to retired Chicago educators who have limited pensions. CRTAF encourages RTAC members to establish similar legacy arrangements.

Support RTAC!

RTAC is a 95 year-old not-for-profit organization that welcomes donations from its members and friends. Consider making a gift to RTAC to commemorate a former colleague's retirement, you or a friend becoming a grandparent, celebrating an anniversary, remembering someone who has made his/her transition, etc. You might also want to include a contribution from your mandated annual Required Minimum Distribution from an IRA or variable annuity account that you established when you were teaching. Another option would be to include a bequest as you plan for the legacy distribution of your financial assets. You might also want to donate your CTPF Death Benefit. These are all significant ways in which you can support RTAC's mission to protect retired Chicago Public School educators' pensions and ancillary benefits.

CRTAF was established in 1986 as an RTAC offspring to assist retired CTPF pensioners who for a variety of reasons have very modest pensions. Most of those individuals were unable to complete a full CPS career due to family responsibilities, poor health, and other reasons. Donations to CRTAF are also most welcome.

Errata

RTAC extends its apologies to Ms. Delora Mitchell, former supervisor in the CPS Teacher Nurse program, who made a generous contribution to the Chicago Retired Teachers Aid Fund in June 2016. Our Fall 2016 *News Bulletin* incorrectly indicated that she had passed. We are most pleased to be able to advise you that she is alive and well. Ms. Mitchell kindly and thoughtfully made a gift to honor the memory of her former colleagues: Mildred Lavizzo, Beatrice Lites, Marion Mitchell, Daphne Rose and Holly Stephenson. Thank you again to Ms. Mitchell. May you continue to enjoy your retirement years.
