If you are 70½ or older and need to take a Minimum Required Distribution from an IRA or Tax Sheltered Annuity and want to reduce or eliminate the federal income tax on the distribution, please consider making a donation to CRTAF from those funds.

We would also like you to include CRTAF in your will.

Remember, the CRTAF was created for the exclusive purpose of assisting retired Chicago public school teachers and administrators who have found themselves in difficult financial circumstances through no real fault of their own.
